

# Mathematics - Subject Course

Course Schedule:

## Number System

### Extra 1

externalvideo	Various Types of Numbers in Number System
externalvideo	Important Divisibility Rules from 1 to 13 - Tricks
externalvideo	Algebraic Formulas and Remainder Polynomial Theorem
externalvideo	Questions on how to Calculate Remainder
certification	Practice Questions on Remainder Theorem
externalvideo	Arithmetic & Geometric Sequence
externalvideo	Arranging Fractions - For Smallest Largest/ Ascending Descending
externalvideo	Questions Session on Smallest Largest Fraction
certification	Practice Questions on Finding Smallest/Largest Fraction
externalvideo	Operations based Questions - Division Multiplication Addition Subtraction
certification	Operations based Practice Questions - Division & Multiplication

certification	Operations based Practice Questions - Addition & Subtraction
externalvideo	Number System Questions based on Fractions of Numbers
certification	Practice Questions based on Fraction of Numbers
externalvideo	Problems on HCF and LCM - Formulas & Tricks
certification	Practice Questions - LCM and HCF based Problems
externalvideo	How to find the Unit Digit in different Scenarios - Tricks and Examples
certification	Practice Questions on Finding Unit Digit
externalvideo	Questions based on Sum of first n Even/Odd/Prime/Natural Numbers
certification	Practice Questions on Consecutive, Odd & Even Numbers
certification	Practice Questions on Natural & Prime Numbers
externalvideo	Number System Imp. Questions - Different Conditions Based

## Number System - Practice Test and Quizzes

externalvideo	Number System Practice Test 1
---------------	-------------------------------

externalvideo	Number System Practice Test 2
externalvideo	Number System Practice Test 3
certification	Practice Quiz 1 - Easy
certification	Practice Quiz 2 - Moderate
certification	Practice Quiz 3 - Advanced

**Square and Cube Root**

externalvideo	Square Tricks - Class 1
---------------	-------------------------

**Number System - Short Tricks and Revision**

externalvideo	Practice Session based on Basic Square Tricks Class 1
externalvideo	Square Tricks - Class 2
externalvideo	Practice Session on Tricks learned in Class 2
externalvideo	Squaring Tricks - Class 3
certification	Practice Questions on Angle of Elevation
externalvideo	Practice Session - Applying Squaring Tricks of Class 3
externalvideo	Methods of Prime Factorization - Division Method

--	--

externalvideo	Square Root Short Tricks Class 1
externalvideo	Square Root Short Tricks Class 2 - Finding Square Root of Non Perfect Square
externalvideo	Square Root Tricks Class 3 - Finding Square Root of Decimal Numbers
externalvideo	Tricks to find Cube - Class 1
externalvideo	Tricks to find Cube - Class 2
externalvideo	Practice Questions on Finding Cube Root of Any Number
externalvideo	Square Root and Cube Root Questions - Root on Root
externalvideo	Finding Roots - Addition, Subtraction, Multiplication, Division
externalvideo	Square and Cube Root - Statement Based Questions

## Square and Cube Root - Quizzes

certification	Practice Quiz 1 - Easy level Questions
certification	Practice Quiz 2 - Moderate level Questions
certification	Practice Quiz 3 - Advanced level Questions

## Simplification

--

externalvideo	Simplification - Concept, Methods and Application
externalvideo	VBODMAS Rule - How it Works...???
certification	Practice Questions on VBODMAS
externalvideo	Decimal Based Simplification
externalvideo	Recurring Decimal Based Simplification
externalvideo	Questions Session on Decimal
certification	Practice Questions on Decimal
externalvideo	Types of Fractions
externalvideo	Fractions Based Simplification
externalvideo	Ladder/Continued Fraction
externalvideo	Fraction Question Session 1
externalvideo	Fraction Question Session 2
certification	Practice Questions on Fraction
certification	Practice Questions on Ladder / Continued Fraction

externalvideo	Statement Based Questions Class 1
externalvideo	Statement Based Questions Class 2
certification	Practice Question - Statement Based Problems

## Simplification - Practice Test & Quizzes

externalvideo	Simplification - Practice Test 1
externalvideo	Simplification - Practice Test 2
certification	Simplification Quiz - Easy Level
certification	Simplification Quiz - Moderate Level
certification	Simplification Quiz - Hard Level

## Approximation

externalvideo	Approximation Tricks Class 1
externalvideo	Approximation Tricks Class 2

## Simplification - Short Tricks and Revision

externalvideo	Rounding off Integers
certification	Practice Questions on Rounding Off Integers
externalvideo	Rounding off Decimals

certification	Practice Questions on Rounding Off Decimals
certification	Practice Questions - Applying Approximation on Square, Cubes Their roots, Surds, Indices
externalvideo	Approximation Mixed Questions

## Approximation Practice Quizzes

certification	Approximation Quiz 1 - Easy Level Questions
certification	Approximation Quiz 2 - Moderate Level Questions
certification	Approximation Quiz 3 - Advanced Level Questions

## LCM and HCF

externalvideo	What is LCM?
certification	Practice Questions on LCM

## Approximation - Short Tricks and Revision

externalvideo	What is HCF?
certification	Practice Questions on HCF
externalvideo	HCF and LCM Important Rules - Class 1
externalvideo	HCF and LCM Important Rules - Class 2

externalvideo	HCF and LCM Important Rules - Class 3
externalvideo	HCF LCM and Numbers
externalvideo	Least or Greatest Number
externalvideo	HCF/LCM and Ratio of Numbers
certification	Practice Questions on HCF/LCM - Ratio of Numbers
externalvideo	Product and Sum based Questions
certification	Practice Questions on HCF/ LCM - Product/ Sum
externalvideo	Language based Questions on HCF and LCM

## HCF and LCM - Practice Quizzes

certification	Practice Quiz 1 - Easy
certification	Practice Quiz 2 - Moderate
certification	Practice Quiz 3 - Advanced

## Surds and Indices

externalvideo	Surds - Types and Rules
externalvideo	Practice Questions on Surds Rules

externalvideo	Indices and Its Rules
externalvideo	Simplification Based Surds Indices - Class 1
externalvideo	Simplification Based Surds Indices - Class 2
externalvideo	Simplification Based Surds Indices - Class 3
externalvideo	Addition, Subtraction and Division of Surds
externalvideo	Multiplication of Surds
externalvideo	Rationalising the Denominator
externalvideo	Increasing and Decreasing Order of Surds
externalvideo	Question Session on Surds and Indices
externalvideo	Surds Short Tricks
externalvideo	Question Session on Application of Tricks

## Ratio and Proportion

externalvideo	Concept and Types of Ratio
externalvideo	Concept of Proportion
externalvideo	Comparison between Ratios

## Surds and Indices - Practice Quizzes

externalvideo

Questions on Basic Concept

## Surds and Indices - Tricks and Revision

externalvideo

Finding amount in Ratio

externalvideo

Amount in Ratio Practice Session

externalvideo

Percentage and Ratio

externalvideo

Percentage and Ratio Practice Session

externalvideo

Effect of Quantity Change

externalvideo

Effect of Quantity Change Practice Session

externalvideo

Mixture and Alligation in Ratio

externalvideo

Mixture and Alligation in ratio Practice Session

externalvideo

Income and Expenditure

externalvideo

Coins in Ratio

externalvideo

Income Expenditure and Coins Practice Session

externalvideo

Ages in Ratio

---

externalvideo

Important Mixed Questions Session

## Mixture and Alligation

externalvideo

Mixture and Alligation Concepts

externalvideo

Concept of Same Quantity with Different Prices

externalvideo

Concept of Combining two things to get a Mixture

externalvideo

Different Cost Prices Conditions

externalvideo

Percentage related Questions

## Ratio and Proportion - Practice Quizzes

externalvideo

Finding New Ratio

externalvideo

Important Mixed Questions on Mixture and Alligation

## Mixture and Alligation - Practice Quizzes

certification

Practice Questions on Repetition of Activity

certification

Practice Questions on Finding Price & Quantity

certification

Practice Questions on Finding Ratio

certification

Mixture and Alligation Practice Quiz 1 - Easy

---

certification	Mixture and Alligation Practice Quiz 2 - Moderate
---------------	---

certification	Mixture and Alligation Practice Quiz 3 - Advanced
---------------	---

## Percentage

externalvideo	Changing Percentage to Fraction
---------------	---------------------------------

externalvideo	Percentage Change Method
---------------	--------------------------

externalvideo	Increase/Decrease in Fractions
---------------	--------------------------------

externalvideo	Calculating Percentage Distribution and Net Effect
---------------	--

certification	Practice Questions on Percentage Distribution
---------------	---

externalvideo	Calculating Successive Increase/Decrease
---------------	--

## Mixture and Alligation - Tricks and Revision

certification	Practice Questions on Successive Increase/Decrease
---------------	--

externalvideo	Elections based Questions
---------------	---------------------------

certification	Practice Questions on Elections
---------------	---------------------------------

externalvideo	Calculating Income and Expenditure
---------------	------------------------------------

externalvideo	Calculating Ratio in Percentage
---------------	---------------------------------

--	--

certification	Practice Questions on Ratio in Percentage
externalvideo	Calculating Venn Diagram in Percentage
externalvideo	Commission based Questions
externalvideo	Number System with Percentage
externalvideo	Important Mixed Questions on Percentage

### Percentage - Practice Quizzes

certification	Practice Quiz 1- Easy level Questions
certification	Practice Quiz 2 - Moderate level Questions
certification	Practice Quiz 3 - Advanced level Questions

### Profit and Loss

externalvideo	Profit and Loss - Basic Concepts, Terms and Formulae (?? ?? ???)
externalvideo	Profit Loss % - Concept & Application (??? ?? ?????)
externalvideo	Calculating Selling Price and Cost Price (????? ? ??? ??)
externalvideo	Overall Profit or Loss Percentage

externalvideo	Overall Profit or Loss Percentage - Advanced Level
certification	Practice Questions on Profit and Loss %
externalvideo	Comparison of SP & CP ( $\frac{SP - CP}{CP} \times 100$ )

## Percentage - Tricks and Revision

externalvideo	Calculate New Selling Price at Different Conditions( $SP \times \frac{100 + \text{Profit \%}}{100}$ )
certification	Practice Questions on Calculate New SP after changing Conditions
externalvideo	Calculating Cost Price ( $\frac{SP}{1 + \frac{\text{Profit \%}}{100}}$ )
externalvideo	Calculate Cost Price after multiple Purchase and Sale
certification	Practice Questions on Calculate CP/ SP
externalvideo	Important special Questions on Profit and Loss
externalvideo	Successive and Single Discount - ( $1 - \frac{\text{Discount \%}}{100}$ )
certification	Practice Questions based on Successive/ Single Discount
externalvideo	Dishonest Dealer - Concept, Questions ( $\frac{SP - CP}{CP} \times 100$ )
certification	Practice Questions on Dishonest Dealers

## Profit and Loss - Practice Quizzes

certification	Profit and Loss Quiz 1 - Easy Level Questions
certification	Profit and Loss Quiz 2 - Moderate Level Questions
certification	Profit and Loss Quiz 3 - Advance Level Questions

## Average

externalvideo	Average - Concept, Formula & Examples
externalvideo	Direct Formula based Question Session
certification	Practice Questions based on Direct Formula
externalvideo	Average of Consecutive/Odd/Even Nos. - Middle Number Concept
externalvideo	Question Session based on Average of Cons/Odd/Even Numbers
certification	Practice Questions on Average of Consecutive Numbers
certification	Practice Questions on Average of Odd/Even/Natural Numbers
externalvideo	Calculating Average of First 'n' Odd/Even/Natural Numbers

## Profit and Loss - Tricks and Revision

--

externalvideo	Finding Average of Series of Squares, Cubes and Multiples of Numbers
externalvideo	Calc. New Average of Numbers after Different Mathematical Operations
externalvideo	Multiple Averages of Different Groups
certification	Practice Questions based on Multiple Groups Averages
externalvideo	Finding New Average after Inclusion/Exclusion from a Group
certification	Practice Questions on Average after Inclusion/Exclusion
externalvideo	Calculating Bowling / Batting Average
certification	Practice Questions based on Bowl/Bat Average
certification	Practice Questions on New Average after Correction
externalvideo	Miscellaneous Questions

## Average Practice Quizzes

certification	Practice Quiz 1 - Easy
certification	Practice Quiz 2 - Moderate
certification	Practice Quiz 3 - Advanced

## Simple and Compound Interest

externalvideo	Concept and Rules Part 1
externalvideo	Concept and Rules Part 2
externalvideo	Simple Interest Basic Formula
externalvideo	Different Rates in Simple interest
externalvideo	Calculating SI when Rate Changes every Year
externalvideo	Money Invested in Parts with Different Rates and Time Period
externalvideo	Conditions when Rate and Time are Equal
externalvideo	SI Mixed Questions
certification	SI Practice Questions - When Rate/Principal/Time is asked

## Average - Important Short Tricks and Revision

certification	SI Practice Questions - Amount Divided Partly and Comparison between Simple Interest
certification	SI Practice Questions based on Other Conditions
externalvideo	CI Basic Formula

--

externalvideo	Difference Between CI and SI
externalvideo	Installments based Problems
externalvideo	CI Rate Half Yearly/Quarterly/Bimonthly/Monthly
externalvideo	CI Mixed Questions
externalvideo	Important Question Session
certification	CI Practice Questions - When Rate/Time/Principal is asked
certification	CI Practice Questions based on Installment & Other Conditions
certification	Practice Questions on Combination of SI and CI

## Simple and Compound Interest - Practice Quizzes

certification	Practice Quiz 1 - Easy Level
certification	Practice Quiz 2 - Moderate Level
certification	Practice Quiz 3 - Advanced Level

## Time and Work

externalvideo	Concept and Tricks
externalvideo	Different Conditions of Work Completion - Class 1

externalvideo	Work Done Comparison
externalvideo	Different Conditions of Work Completion - Class 2
externalvideo	Person Leaving Work in between
externalvideo	Amount and Share
externalvideo	Comparison of Efficiency
externalvideo	Alternate Day Replaced Working
externalvideo	And-Or based Questions

## Pipe and Cistern

externalvideo	Concept and Rules
externalvideo	Calculating Time with no Empty Pipe
certification	Practice Questions on Calculating Time with no Empty Pipe
externalvideo	Calculating Time with Empty Pipe
certification	Practice Questions on Calculating Time with Empty Pipe
externalvideo	Calculating Capacity

certification	Practice Questions on Calculating Capacity
externalvideo	Pipes with Different Efficiency
certification	Practice Questions on Pipes with Different Efficiency
externalvideo	Calculating Time in Different Conditions

### Time and Work - Practice Quizzes

certification	Practice Questions on Calculating Time in Different Conditions
---------------	--

### Pipe and Cistern - Practice Quizzes

certification	Practice Quiz 1 - Easy Level
certification	Practice Quiz 2 - Moderate
certification	Practice Quiz 3 - Advanced

### Boat and Stream

externalvideo	What is Boat and Stream?
---------------	--------------------------

### Pipe and Cistern - Previous Year Questions

externalvideo	Boats and Streams - Imp. Formula List
externalvideo	Upstream and Downstream - Concept and Application
externalvideo	Upstream and Downstream - Practice Session

certification	Practice Questions based on Upstream and Downstream
externalvideo	When Travel in Both Ways - Concept and Application
certification	Boat and Stream Practice Questions - Other Conditions Based

### Boat and Stream - Practice Quizzes

certification	Boat and Stream Quiz 1 - Easy
certification	Boat and Stream Quiz 2 - Moderate
certification	Boat and Stream Quiz 3 - Hard

### Quadratic Equations

externalvideo	What are Quadratic Equations?
externalvideo	The 3 Methods - Factorization, Sridharacharya and Squaring
externalvideo	Important Question Session
certification	Practice Questions on Factorization Method
certification	Practice Questions on Shridharacharya Method
certification	Practice Questions - Completing the Square Method

## Quadratic Equation Practice Quizzes

<a href="#">certification</a>	Quadratic Equations Quiz 1 - Easy Level
<a href="#">certification</a>	Quadratic Equations Quiz 2 - Moderate Level
<a href="#">certification</a>	Quadratic Equations Quiz 3 - Hard Level

## Permutations and Combinations

<a href="#">externalvideo</a>	Concept and Important Formulas
-------------------------------	--------------------------------

## Boat and Stream Short Tricks and Revision

<a href="#">externalvideo</a>	P & C of Word/Alphabet Arrangement
-------------------------------	------------------------------------

## Boat and Stream - Previous Year Questions

<a href="#">certification</a>	Practice Questions on Words Alphabet Arrangement
-------------------------------	--

## Time and Distance

<a href="#">externalvideo</a>	P & C When Vowels/Consonants/Letters Group Together
-------------------------------	---

## Probability

<a href="#">externalvideo</a>	P & C When Vowels/Consonants/Letters - Not Together
-------------------------------	---

<a href="#">certification</a>	Practice Questions - Vowels Consonants Letters Group Together
-------------------------------	---

<a href="#">externalvideo</a>	P & C When No. of Ways Things Occur Together
-------------------------------	--

<a href="#">certification</a>	Practice Questions on No. of Ways Things Occur Together
-------------------------------	---

externalvideo	P & C When First and Last Fixed
externalvideo	P & C in Making Group Committee
certification	Practice Questions - Group Committee
externalvideo	Mixed Important Questions for Practice

### Permutations and Combinations - Practice Quizzes

certification	Practice Quiz 1 - Easy
---------------	------------------------

### Quadratic Equations - Short Tricks and Revision

certification	Practice Quiz 2 - Moderate
---------------	----------------------------

### Quadratic Equations - Previous Year Questions

certification	Practice Quiz 3 - Advanced
---------------	----------------------------

### Time and Distance - Tricks and Revision

externalvideo	Basic Concept and Imp Terms in Probability
externalvideo	Probability - Coin Toss Problems
certification	Practice Questions based on Coin Toss Probability
externalvideo	Dice Problems in Probability

--	--

certification	Practice Questions - Rolling Dice Probabilities
externalvideo	Playing Cards - Word Problems
certification	Playing Cards Practice Questions
externalvideo	Conditional Probability with Balls, Urns and Marbles
certification	Practice Questions on Balls, Urns and Marbles
externalvideo	Different Conditions in Probability Problems
certification	Practice Questions on Different Conditions

## Probability Practice Quizzes

certification	Probability Quiz 1 - Easy Level Questions
certification	Probability Quiz 2 - Moderate Level Questions
certification	Probability Quiz 3 - Difficult Level Questions

## Partnership

externalvideo	Simple Partnership - Time Same and Money Invested for Equal Time Period
externalvideo	Compound Partnership - Time Not Same and Money Invested for different Time Period

## Permutations and Combinations - Short Tricks and Revision

certification	Practice Questions based on Simple Partnership
---------------	--

### Permutations and Combinations - Previous Year Questions

certification	Practice Questions based on Compound Partnership
---------------	--

externalvideo	New Partner Joins In Between
---------------	------------------------------

externalvideo	If Partner(s) Withdraw/Increase Investment In-between
---------------	---

certification	Practice Questions on Later on Any Partner Joins
---------------	--

certification	Practice Questions on Withdrawal/Increase of Investment in Between
---------------	--

externalvideo	Partial Profit Situations in Partnerships
---------------	---

certification	Practice Questions on Partial Profit Situations
---------------	---

### Partnership Practice Quizzes

certification	Practice Quiz 1 - Easy Level Questions
---------------	--

certification	Practice Quiz 2 - Moderate Level Questions
---------------	--

certification	Practice Quiz 3 - Advanced Level Questions
---------------	--

### Number Series

externalvideo	Number Series - Basic Concept and Types of Questions
---------------	--

--	--

externalvideo	Missing Term in Number Series
certification	Practice Questions based on Missing Term
externalvideo	Odd one Out/Wrong number in Number Series
certification	Practice Questions based on Odd one Out

## Probability - Important Short Tricks and Revision

externalvideo	Double Liner - Number Series
---------------	------------------------------

## Probability - Previous Year Questions

certification	Practice Questions - Two Liner Based
externalvideo	Practice Test 1
externalvideo	Practice Test 2

## Number Series - Practice Test and Quizzes

certification	Number Series (Quants) Quiz - Easy Level
certification	Number Series (Quants) Quiz - Moderate Level
certification	Number Series (Quants) Quiz - Hard Level

## Trigonometry

externalvideo	Introduction to Trigonometry and Measurement System
---------------	---

externalvideo	Trigonometric Ratios
externalvideo	Domain and Range
externalvideo	Minimum and Maximum Values of Trigonometric Functions
externalvideo	Important Questions on Trigonometric Ratios
certification	Practice Questions on Angle of Depression

**Trigonometry - Question Sessions & Practice Quizzes**

certification	Practice Questions on Trigonometric Ratios
certification	Practice Questions on Angle of Elevation

**Partnership - Short Tricks and Revision**

externalvideo	Trigonometric Identities
---------------	--------------------------

**Partnership - Previous Years Questions**

externalvideo	Ratio, Reciprocal, Product, Pythagorean, Angle Identities
externalvideo	Trigonometric Identities Important Questions
externalvideo	Trigonometric Identities Practice Session
certification	Practice Questions on Trigonometric Identities

--	--

externalvideo	Complementary Angles and Quadrant Formula - Session 1
externalvideo	Quadrant Formula - Session 2
externalvideo	Sum and Difference Formula
externalvideo	Product/Sum/Difference/Double Half/Thrice Angle Formulas
externalvideo	Question Session on Product/Sum/Difference/Double Half/Thrice Angle Formulas
externalvideo	Sine and Cosine Laws in Triangle - Session 1
externalvideo	Sine and Cosine Laws in Triangle - Session 2
externalvideo	Projection Rule, Napier's Analogy and Area of Triangle
externalvideo	Radian and Degree Based Questions
certification	Practice Questions on Circular Measure of Angle
certification	Practice Questions on Conversion of Degree/Radian into Radian/Degree

## Number Series - Previous Year Questions

externalvideo	Mixed Question Session 1
externalvideo	Mixed Question Session 2

externalvideo	Mixed Question Session 3
externalvideo	Important Questions on Identities - Class 1
externalvideo	Important Questions on Identities - Class 2
certification	Practice Quiz 1 - Easy level Questions
certification	Practice Quiz 2 - Moderate level Questions
certification	Practice Quiz 3 - Advanced level Questions

## Logarithm

externalvideo	Logarithm - Definition and Concept
externalvideo	Properties of Logarithm
externalvideo	4 Laws of Logarithm - Product, Quotient, Power/Exponent and Base Change
externalvideo	Questions based on Laws of Logarithm
externalvideo	Characteristics and Mantissa of a Logarithm
externalvideo	Practice Session 1
externalvideo	Practice Session 2

Mensuration 2D

externalvideo	Introduction to Mensuration
externalvideo	Triangles
externalvideo	Quadrilaterals
externalvideo	Curved Shapes
externalvideo	Regular Polygon
externalvideo	Rectangle Class 1
externalvideo	Rectangle Class 2
externalvideo	Rectangle Class 3
externalvideo	Square with Rectangle
externalvideo	Circle with Rectangle
externalvideo	Other Conditions with Rectangle
certification	Practice Questions on Rectangle Only
certification	Practice Questions on Rectangle with Others
externalvideo	Square and its Diagonals

externalvideo	Square and its perimeter
externalvideo	Square Percentage Effects
externalvideo	Circle with Square Class 1

## Trigonometry - Tricks and Revision

externalvideo	Circle With Square Class 2
externalvideo	Triangle With Square
certification	Practice Questions based on Square
externalvideo	Square With Other Conditions
externalvideo	Parallelogram - Concept and Tricks
externalvideo	Parallelogram Question Session
externalvideo	Rhombus - Concept and Tricks
externalvideo	Rhombus Question Session - Class 1
externalvideo	Rhombus Question Session - Class 2

## Logarithm - Tricks and Revision

externalvideo	Trapezium - Concept and Tricks
---------------	--------------------------------

## Logarithm - Previous Year Questions

<a href="#">externalvideo</a>	Trapezium Question Session
-------------------------------	----------------------------

## Algebra

<a href="#">externalvideo</a>	Triangle with Trapezium
-------------------------------	-------------------------

## Algebra - Tricks and Revision

<a href="#">externalvideo</a>	Circle With Trapezium
-------------------------------	-----------------------

## Algebra - Previous Year Questions

<a href="#">externalvideo</a>	Polygon - Concept and Questions
-------------------------------	---------------------------------

<a href="#">certification</a>	Practice Questions on Quadrilaterals & Polygons
-------------------------------	---

<a href="#">externalvideo</a>	Triangle - Concept and Tricks
-------------------------------	-------------------------------

<a href="#">externalvideo</a>	Congruent Triangles
-------------------------------	---------------------

<a href="#">externalvideo</a>	Similarity of Triangles
-------------------------------	-------------------------

<a href="#">externalvideo</a>	Medians in Triangles
-------------------------------	----------------------

<a href="#">externalvideo</a>	Triangle Question Session 1
-------------------------------	-----------------------------

<a href="#">externalvideo</a>	Triangle Question Session 2
-------------------------------	-----------------------------

<a href="#">externalvideo</a>	Circle with Triangle - Class 1
-------------------------------	--------------------------------

externalvideo	Circle with Triangle - Class 2
externalvideo	Circle with Triangle - Class 3
externalvideo	Triangle with Other Conditions
certification	Practice Questions based on Triangle
certification	Practice Questions based on Triangle with Others
externalvideo	Circle - Concept and Tricks
externalvideo	Circle Question Session 1
externalvideo	Circle Question Session 2
externalvideo	Circle Question Session 3
externalvideo	Square with Circle
externalvideo	Triangle with Circle
externalvideo	Semi Circle - Concept & Tricks with Question Session
certification	Practice Questions based on Circle

## Mensuration 2D - Practice Quizzes

--

certification	Practice Quiz 1 - Beginner
certification	Practice Quiz 2 - Moderate
certification	Practice Quiz 3 - Advanced

## Set Theory

externalvideo	Introduction to Set Theory
externalvideo	Representation of Sets - Statement / Tabular Form
externalvideo	Different Types of Sets
externalvideo	Problems on Power, Subset, Comparable and Universal Sets
externalvideo	Set Operations - Union, Intersection and Venn Diagrams

## Mensuration Next

externalvideo	Complement of a Set - Concept with Examples
---------------	---

## Geometry and Coordinate Geometry

externalvideo	Commutative, Associative, Idempotent Laws
---------------	---

## Set Theory - Practice Questions and Quizzes

externalvideo	Set Theory Imp Questions - Practice Session 1
externalvideo	Set Theory Imp Questions - Practice Session 2

certification	Practice Quiz 1 - Easy level Questions
certification	Practice Quiz 2 - Moderate level Questions
certification	Practice Quiz 3 - Advance level Questions

**Extra AU**
