

Mensuration 2D and 3D

Course Schedule:

Introduction and Different 2D Shapes

externalvideo	Mensuration Introduction
externalvideo	Mensuration 2D Triangle
externalvideo	Mensuration 2D Quadrilateral
externalvideo	Curved Shapes
externalvideo	Regular Polygon

Rectangle

externalvideo	Rectangle Class 1
externalvideo	Rectangle Class 2
externalvideo	Rectangle Class 3
externalvideo	Square with rectangle
externalvideo	Circle With rectangle
externalvideo	Rectangle Other Conditions Questions
certification	Practice Questions based on Rectangle Only

certification	Practice Questions based on Rectangle with Others
---------------	---

Square

externalvideo	Square and its Diagonals
externalvideo	Square and its perimeter
externalvideo	Square Percentage Effects
externalvideo	Circle with Square Class 1
externalvideo	Circle With Square Class 2
externalvideo	Triangle With Square
certification	Practice Questions based on Square
externalvideo	Square With Other Conditions

Quadrilaterals & Polygons

externalvideo	Parallelogram - Concept and Tricks
externalvideo	Parallelogram Question Session
externalvideo	Rhombus - Concept and Tricks
externalvideo	Rhombus Question Session - Class 1

externalvideo	Rhombus Question Session - Class 2
externalvideo	Trapezium - Concept and Tricks
externalvideo	Trapezium Question Session
externalvideo	Triangle with Trapezium
externalvideo	Circle With Trapezium
externalvideo	Polygon - Concept and Questions
certification	Practice Questions on Quadrilaterals & Polygons

Triangle

externalvideo	Triangle - Concept and Tricks
externalvideo	Congruent Triangles
externalvideo	Similarity of Triangle
externalvideo	Medians in Triangles
externalvideo	Triangle Question Session 1
externalvideo	Triangle Question Session 2

externalvideo	Circle with Triangle - Class 1
externalvideo	Circle with Triangle - Class 2
externalvideo	Circle with Triangle - Class 3
externalvideo	Triangle with Other Conditions
certification	Practice Questions based on Triangle
certification	Practice Questions based on Triangle with Others

Circle

externalvideo	Circle - Concept and tricks
externalvideo	Circle Question Session 1
externalvideo	Circle Question Session 2
externalvideo	Circle Question Session 3
externalvideo	Square with Circle
externalvideo	Triangle with Circle
externalvideo	Semi Circle - Concept & Tricks with Question Session
certification	Practice Questions based on Circle

Mensuration 2D - Practice Quizzes

certification	Quiz 1 - Easy Level Questions
certification	Quiz 2 - Moderate Level Questions
certification	Quiz 3 - Advanced Level Questions

Mensuration 2D Quizzes - Easy to Advanced Level

certification	Mesuration 2D Quiz - Easy Level
certification	Mesuration 2D Quiz - Moderate Level
certification	Mesuration 2D Quiz - Advanced Level

Introduction to Mensuration 3D

externalvideo	Mensuration 3D Introduction - Session 1
externalvideo	Mensuration 3D Introduction - Session 2

Cube & Cuboid

externalvideo	Cube and Cuboid - Concept
externalvideo	Cube Question Session
externalvideo	Cuboid Question Session
certification	Mensuration 3D Practice Questions - Cube And Cuboid

Cone

externalvideo	Cone - Concept
certification	Mensuration 3D Practice Questions - Cone
externalvideo	Cone and Frustum - Concept

Sphere and Hemisphere

externalvideo	Sphere - Concept
externalvideo	Hemi Sphere Session 1
externalvideo	Hemi Sphere Session 2
certification	Practice Questions - Sphere
certification	Practice Questions - Hemisphere

Cylinder

externalvideo	Cylinder Session 1
externalvideo	Cylinder Session 2
certification	Practice Questions - Cylinder

Extra activity

Other 3D Shapes - Prism, Pyramid, Tetrahedron, Parallelopiped

externalvideo	Prism - Concept
externalvideo	Pyramid - Formula List
externalvideo	Pyramid - Question Session
externalvideo	Tetrahedron - Concept
externalvideo	Parallelopiped - Concept
certification	Mensuration 3D Practice Questions - Pyramid, Tetrahedron, Prism

Mixed Question Session

externalvideo	Mixed Question Session 1
externalvideo	Mixed Question Session 2
externalvideo	Mixed Question Session 3
externalvideo	Mixed Question Session 4

Mensruation 2D & 3D Revision Session

externalvideo	Mensuration 2D Revision - Rectangle
---------------	-------------------------------------

Mensuration 2D - Short Tricks

externalvideo	Mensuration 2D Revision - Square
---------------	----------------------------------

--	--

externalvideo	Mensuration 2D Revision - Parallelogram and Rhombus
externalvideo	Mensuration 2D Revision - Trapezium
externalvideo	Mensuration 2D Revision - Polygon
externalvideo	Mensuration 2D Revision - Triangle - Types and Properties Riv.mp4
externalvideo	Mensuration 2D Revision - Triangle - Medians
externalvideo	Mensuration 2D Revision - Triangle Important Questions
externalvideo	Mensuration 2D Revision - Triangle with Circles
externalvideo	Mensuration 2D Revision - Circle
externalvideo	Mensuration 2D Revision - Circle with others
externalvideo	Mensuration 3D Revision

Mensuration 2D - Previous Years Questions Quiz

Mensuration 3D Practice Session - Easy to Advanced Level

Mensuration 3D Quizzes - Easy to Advanced Level
