

# Mensuration 2D and 3D

## Course Schedule:

### Introduction and Different 2D Shapes

externalvideo	Mensuration Introduction
externalvideo	Mensuration 2D Triangle
externalvideo	Mensuration 2D Quadrilateral
externalvideo	Curved Shapes
externalvideo	Regular Polygon

### Rectangle

externalvideo	Rectangle Class 1
externalvideo	Rectangle Class 2
externalvideo	Rectangle Class 3
externalvideo	Square with rectangle
externalvideo	Circle With rectangle
externalvideo	Rectangle Other Conditions Questions

certification	Practice Questions based on Rectangle Only
certification	Practice Questions based on Rectangle with Others

## Square

externalvideo	Square and its Diagonals
externalvideo	Square and its perimeter
externalvideo	Square Percentage Effects
externalvideo	Circle with Square Class 1
externalvideo	Circle With Square Class 2
externalvideo	Triangle With Square
certification	Practice Questions based on Square
externalvideo	Square With Other Conditions

## Quadrilaterals & Polygons

externalvideo	Parallelogram - Concept and Tricks
externalvideo	Parallelogram Question Session

externalvideo	Rhombus - Concept and Tricks
externalvideo	Rhombus Question Session - Class 1
externalvideo	Rhombus Question Session - Class 2
externalvideo	Trapezium - Concept and Tricks
externalvideo	Trapezium Question Session
externalvideo	Triangle with Trapezium
externalvideo	Circle With Trapezium
externalvideo	Polygon - Concept and Questions
certification	Practice Questions on Quadrilaterals & Polygons

## Triangle

externalvideo	Triangle - Concept and Tricks
externalvideo	Congruent Triangles
externalvideo	Similarity of Triangle
externalvideo	Medians in Triangles

externalvideo	Triangle Question Session 1
externalvideo	Triangle Question Session 2
externalvideo	Circle with Triangle - Class 1
externalvideo	Circle with Triangle - Class 2
externalvideo	Circle with Triangle - Class 3
externalvideo	Triangle with Other Conditions
certification	Practice Questions based on Triangle
certification	Practice Questions based on Triangle with Others

## Circle

externalvideo	Circle - Concept and tricks
externalvideo	Circle Question Session 1
externalvideo	Circle Question Session 2
externalvideo	Circle Question Session 3
externalvideo	Square with Circle

externalvideo	Triangle with Circle
---------------	----------------------

externalvideo	Semi Circle - Concept & Tricks with Question Session
---------------	--

certification	Practice Questions based on Circle
---------------	------------------------------------

### **Mensuration 2D - Practice Quizzes**

certification	Quiz 1 - Easy Level Questions
---------------	-------------------------------

certification	Quiz 2 - Moderate Level Questions
---------------	-----------------------------------

certification	Quiz 3 - Advanced Level Questions
---------------	-----------------------------------

### **Mensuration 2D Quizzes - Easy to Advanced Level**

certification	Mesuration 2D Quiz - Easy Level
---------------	---------------------------------

certification	Mesuration 2D Quiz - Moderate Level
---------------	-------------------------------------

certification	Mesuration 2D Quiz - Advanced Level
---------------	-------------------------------------

### **Introduction to Mensuration 3D**

externalvideo	Mensuration 3D Introduction - Session 1
---------------	---

externalvideo	Mensuration 3D Introduction - Session 2
---------------	---

### **Cube & Cuboid**

--	--

externalvideo	Cube and Cuboid - Concept
externalvideo	Cube Question Session
externalvideo	Cuboid Question Session
certification	Mensuration 3D Practice Questions - Cube And Cuboid

## Cone

externalvideo	Cone - Concept
certification	Mensuration 3D Practice Questions - Cone
externalvideo	Cone and Frustum - Concept

## Sphere and Hemisphere

externalvideo	Sphere - Concept
externalvideo	Hemi Sphere Session 1
externalvideo	Hemi Sphere Session 2
certification	Practice Questions - Sphere
certification	Practice Questions - Hemisphere

## Cylinder

---

externalvideo	Cylinder Session 1
externalvideo	Cylinder Session 2
certification	Practice Questions - Cylinder

### Extra activity

### Other 3D Shapes - Prism, Pyramid, Tetrahedron, Parallelopiped

externalvideo	Prism - Concept
externalvideo	Pyramid - Formula List
externalvideo	Pyramid - Question Session
externalvideo	Tetrahedron - Concept
externalvideo	Parallelopiped - Concept
certification	Mensuration 3D Practice Questions - Pyramid, Tetrahedron, Prism

### Mixed Question Session

externalvideo	Mixed Question Session 1
externalvideo	Mixed Question Session 2
externalvideo	Mixed Question Session 3

externalvideo	Mixed Question Session 4
---------------	--------------------------

### Mensuration 2D & 3D Revision Session

externalvideo	Mensuration 2D Revision - Rectangle
---------------	-------------------------------------

### Mensuration 2D - Short Tricks

externalvideo	Mensuration 2D Revision - Square
---------------	----------------------------------

externalvideo	Mensuration 2D Revision - Parallelogram and Rhombus
---------------	---

externalvideo	Mensuration 2D Revision - Trapezium
---------------	-------------------------------------

externalvideo	Mensuration 2D Revision - Polygon
---------------	-----------------------------------

externalvideo	Mensuration 2D Revision - Triangle - Types and Properties Riv.mp4
---------------	---

externalvideo	Mensuration 2D Revision - Triangle - Medians
---------------	--

externalvideo	Mensuration 2D Revision - Triangle Important Questions
---------------	--

externalvideo	Mensuration 2D Revision - Triangle with Circles
---------------	---

externalvideo	Mensuration 2D Revision - Circle
---------------	----------------------------------

externalvideo	Mensuration 2D Revision - Circle with others
---------------	--

---

externalvideo	Mensuration 3D Revision
---------------	-------------------------

**Mensuration 2D - Previous Years Questions Quiz**

**Mensuration 3D Practice Session - Easy to Advanced Level**

**Mensuration 3D Quizzes - Easy to Advanced Level**
