certification	Stacked Bar Chart (5 Questions)
---------------	---------------------------------

certification	Bar Chart Quiz - Easy Level (30 Questions)
---------------	--

certification	Bar Chart Quiz - Moderate Level (30 Questions)
---------------	--

## Pie Chart - Practice Questions and Quizzes

certification	Percentage Value Pie Chart (5 Questions)
---------------	--

certification	Degree Value Pie Chart (5 Questions)
---------------	--------------------------------------

certification	Actual Value Pie Chart (9 Questions)
---------------	--------------------------------------

certification	More than One Pie Chart (10 Questions)
---------------	--

--	--

certification	Exploded Pie Chart (9 Questions)
---------------	----------------------------------

certification	Pie Chart Quiz - Easy level (9 Questions)
---------------	---

certification	Pie Chart Quiz - Moderate level (30 Questions)
---------------	--

certification	Pie Chart Topic Quiz - Advanced level (22 Questions)
---------------	--

### **Data Table Chart - Practice Questions and Quizzes**

certification	Single Table (25 Questions)
---------------	-----------------------------

certification	Two or More Table (2 Questions)
---------------	---------------------------------

certification	Missing Term Data Table (9 Questions)
---------------	---------------------------------------

certification	Miscellaneous Data Table (10 Questions)
---------------	---

certification	Cumulative Data Table (10 Questions)
---------------	--------------------------------------

certification	Data Table Quiz - Easy Level (15 Questions)
---------------	---

certification	Data Table Quiz - Moderate Level (30 Questions)
---------------	---

certification	Data Table Quiz - Advanced Level (19 Questions)
---------------	---

### **Line Graph - Practice Questions and Quizzes**

certification	Single Line Graph (30 Questions)
---------------	----------------------------------

--	--

certification	Double Line Graph (25 Questions)
---------------	----------------------------------

certification	Three Line Graph (26 Questions)
---------------	---------------------------------

certification	Two Graph Comparison (17 Questions)
---------------	-------------------------------------

certification	Four Line Graph (12 Questions)
---------------	--------------------------------

certification	Line Graph Quiz - Easy Level (19 Questions)
---------------	---

certification	Line Graph Quiz - Moderate Level (30 Questions)
---------------	---

certification	Line Graph Quiz - Advanced Level (30 Questions)
---------------	---

### **Caselets - Practice Questions and Quizzes**

certification	Venn Diagram (30 Questions)
---------------	-----------------------------

certification	Table Conversion (25 Questions)
---------------	---------------------------------

certification	Caselets Quiz - Easy Level (8 Questions)
---------------	--

certification	Caselets Quiz - Moderate Level (30 Questions)
---------------	---

certification	Caselets Quiz - Advanced Level (30 Questions)
---------------	---

### **Miscellaneous Chart - Coming Soon**

### **Extra Activity 2**

### **Mixed Chart - Practice Questions and Quizzes**

---

certification

Combination of Table and Graph (5 Questions)

certification

Combination of Different Graph (10 Questions)

certification

Mixed Chart Quiz - Easy Level (7 Questions)

certification

Mixed Chart Quiz - Moderate Level (30 Questions)

certification

Mixed Chart Quiz - Advanced Level (17 Questions)
