

# Reasoning (Verbal & Non-Verbal) - Practice Course

Course Schedule:

## Alphabet - Practice Questions

certification	Problems related to letter positions (30 Questions)
---------------	---

certification	Problems related to word formation (30 Questions)
---------------	---

## Alphabet - Quizzes

certification	Alphabet Quiz - Easy Level (35 Questions)
---------------	---

certification	Alphabet Quiz - Moderate Level (35 Questions)
---------------	---

certification	Alphabet Quiz - Advanced Level (35 Questions)
---------------	---

## Alpha Series - Letter and Symbol Series - Practice Questions

certification	Series Containing Letter, Number, Symbols
---------------	---

certification	Mixed Jumbled Series
---------------	----------------------

## Alpha Series - Letter and Symbol Series - Quizzes

certification	Easy Level Quiz
---------------	-----------------

certification	Advanced Level Quiz
---------------	---------------------

certification	Moderate Level Quiz
---------------	---------------------

Seating Arrangement - Practice Questions

certification	Problems on Row or Linear Arrangement (30 Questions)
certification	Problems on Circular Arrangement (18 Questions)
certification	Problems on Square or Rectangular Arrangement (18 Questions)
certification	Problems on Triangular Seating Arrangement (14 Questions)
certification	Combination of Linear, Circular and Square Arrangements with puzzles (24 Questions)

Seating Arrangement - Quizzes

certification	Seating Arrangement Quiz - Easy Level (30 Questions)
certification	Seating Arrangement Quiz - Moderate Level (46 Questions)
certification	Seating Arrangement Quiz Advanced Level (24 Questions)

Ranking Arrangement - Questions

certification	Based on Position
certification	Based on Comparison

Ranking Arrangement - Quizzes

certification	Easy Level Quiz
---------------	-----------------

---

certification	Advanced Level Quiz
certification	Moderate Level Quiz

## Blood Relation - Practice Questions

### Extra Activity 15

certification	Puzzle Form (30 Questions)
certification	Indicating Form (21 Questions)
certification	Coding Form (22 Questions)

## Blood Relation - Quizzes

certification	Blood Relation Quiz - Easy Level (35 Questions)
certification	Blood Relation Quiz - Moderate Level (35 Questions)
certification	Blood Relation Quiz - Advanced Level (26 Questions)

## Machine - Input Output - Practice Questions

certification	Shifting Input Output (30 Questions)
certification	Arranging Input Output (18 Questions)
certification	Arithmetic Operations (15 Questions)

## Machine - Input Output - Quizzes

---

certification	Input Output Quiz - Easy Level (31 Questions)
certification	Input Output Quiz - Moderate Level (35 Questions)
certification	Input Output Quiz - Advanced Level (8 Questions)

## Coding Decoding - Practice Questions

certification	Letter and Word Based (30 Questions)
certification	Fictitious Language (15 Questions)
certification	Mathematical Operations and Conditions(30 Questions)

## Coding Decoding - Quizzes

certification	Coding Decoding Quiz - Easy Level (35 Questions)
certification	Coding Decoding Quiz - Moderate Level (35 Questions)
certification	Coding Decoding Quiz - Advanced Level (22 Questions)

## Direction and Distance - Practice Questions

certification	Find Final Direction during Journey or Positioning (30 Questions)
certification	Distance Between two Points or Person / Object (16 Questions)
certification	Find Both Distance and Direction (18 Questions)

Direction and Distance - Quizzes

certification	Direction and Distance Quiz - Easy Level (35 Questions)
---------------	---

certification	Direction and Distance Quiz - Moderate Level (35 Questions)
---------------	---

Analogy - Verbal - Practice Questions

certification	Based on Words Analogy (30 Questions)
---------------	---------------------------------------

certification	Based on Numbers Analogy (18 Questions)
---------------	---

certification	Based on Alphabet Analogy (22 Questions)
---------------	--

Analogy - Verbal - Quizzes

certification	Analogy Verbal Quiz - Easy Level (35 Questions)
---------------	---

certification	Analogy Verbal Quiz - Moderate Level (35 Questions)
---------------	---

certification	Analogy Verbal Quiz - Advanced Level (8 Questions)
---------------	--

Data Sufficiency - Practice Questions

certification	Based On Blood Relation (20 Questions)
---------------	--

certification	Based On Seating Arrangement (10 Questions)
---------------	---

certification	Based On Order Ranking(17 Questions)
---------------	--------------------------------------

certification	Based On Distance Direction (7 Questions)
---------------	---

certification	Based On Coding Decoding (19 Questions)

### Data Sufficiency - Quizzes

certification	Data Sufficiency Quiz - Moderate Level (35 Questions)
---------------	---

certification	Data Sufficiency Quiz - Advanced Level (35 Questions)
---------------	---

### Inequality - Practice Questions and Quizzes

certification	Based on Direct Inequality (20 Questions)
---------------	---

certification	Based on Coded Inequality (19 Questions)
---------------	--

certification	Inequality Quiz - Easy Level (22 Questions)
---------------	---

certification	Inequality Quiz - Moderate Level (35 Questions)
---------------	---

certification	Inequality Quiz - Advanced Level (18 Questions)
---------------	---

### Symbol and Notation - Practice Questions

certification	Inequalities in Coded Language (28 Questions)
---------------	---

certification	Decode the symbols and apply BODMAS (18 Questions)
---------------	--

certification	Conditions on Letters/Numbers/Symbols (28 Questions)
---------------	--

### Symbol and Notation - Quizzes

certification	Symbols and Notations Quiz - Easy Level (4 Questions)
---------------	---

certification	Symbols and Notations Quiz - Moderate Level (35 Questions)
certification	Symbols and Notations Quiz - Advanced Level (35 Questions)
document	Statement and Assumptions - Coming Soon

### Statement and Arguments - Practice Questions

certification	Based on Statement - Arguments (30 Questions)
certification	Based on Strengthen and Weaken(8 Questions)

### Statement and Arguments - Quizzes

certification	Statement and Arguments Quiz - Easy Level (23 Questions)
certification	Statement and Arguments Quiz - Moderate Level (35 Questions)
certification	Statement and Arguments Quiz - Advanced Level (33 Questions)

### Statement and Conclusion - Practice Questions

certification	Based on One Statement (29 Questions)
certification	Based on Two Statement (25 Questions)
certification	Based on 3-4 Statement (10 Questions)

## Statement and Conclusion - Quizzes

certification	Statement and Conclusion Quiz - Easy Level (35 Questions)
---------------	---

certification	Statement and Conclusion Quiz - Moderate Level (35 Questions)
---------------	---

## Statement and Courses of action - Practice Questions

certification	One Statement 2 Course of Action Based
---------------	--

certification	One statement 3 Course of Action Based
---------------	--

## Statement and Courses of action - Quizzes

certification	Easy Level Quiz
---------------	-----------------

certification	Moderate Level Quiz
---------------	---------------------

certification	Advanced Level Quiz
---------------	---------------------

## Clocks - Practice Questions and Quizzes

certification	Angle Between Minute and Hour Hand (15 Questions)
---------------	---

certification	What time at conditions ? (30 Questions)
---------------	--

certification	Mirror/Water Image of Clock (18 Questions)
---------------	--

certification	Slow and Fast Clock (30 Questions)
---------------	------------------------------------

## Clocks - Quizzes

certification	Clocks Quiz - Easy Level (35 Questions)
certification	Clocks Quiz - Moderate Level (35 Questions)
certification	Clocks Quiz - Advanced Level (19 Questions)

## Classification - Verbal - Practice Questions and Quizzes

certification	Choosing The Odd Word (5 Questions)
certification	Choosing the Odd Number (21 Questions)

## Games And Tournament - Coming Soon

certification	Choosing the Odd Letter Group (21 Questions)
---------------	--

## Extra Activity 14

certification	Classification Verbal Quiz - Moderate Level (35 Questions)
certification	Classification Verbal Quiz - Advanced Level (35 Questions)

## Puzzles - Practice Questions

certification	Based on Figure Based PUZZLE (26 Questions)
certification	Based on SEQUENTIAL (Day/Month/Year) PUZZLE (30 Questions)
certification	Based on COMPARISON PUZZLE (16 Questions)

--

## Puzzles - Quizzes

certification	Puzzles Quiz - Easy Level (35 Questions)
certification	Puzzles Quiz - Moderate Level (35 Questions)
certification	Puzzles Quiz - Advanced Level (35 Questions)

## Problem Based on Ages - Practice Questions

certification	Find Present Ages (11 Questions)
certification	Ages in Ratio (12 Questions)
certification	Ages Before / After X Year (25 Questions)

## Problem Based on Ages - Quizzes

certification	Problem Based on Ages Quiz - Easy level (3 Questions)
certification	Problem Based on Ages Quiz - Moderate level (34 Questions)
certification	Problem Based on Ages Quiz - Advanced level (29 Questions)

## Analogy - Non Verbal - Practice Questions and Quizzes

certification	Easy Level Questions (15 Questions)
certification	Based on Moderate Level Questions (20 Questions)

certification	Based on Difficult Level Questions (1 Questions)
---------------	--

certification	Analogy (NV) Quiz - Easy Level (29 Questions)
---------------	---

**Series - Non Verbal Reasoning - Coming Soon**

certification	Analogy (NV) Quiz - Moderate Level (35 Questions)
---------------	---

**Extra Activity - 16**

certification	Analogy (NV) Quiz - Advanced Level (26 Questions)
---------------	---

**Classification - Non verbal - Practice Questions and Quizzes**

certification	Based on Easy Level Questions (18 Questions)
---------------	--

certification	Based on - Moderate Level Questions (15 Questions)
---------------	--

certification	Based on - Difficult level Questions (30 Questions)
---------------	---

certification	Classification (NV) Quiz - Easy Level (19 Questions)
---------------	--

certification	Classification (NV) Quiz - Moderate Level (33 Questions)
---------------	--

certification	Classification (NV) Quiz - Advanced Level (29 Questions)
---------------	--

**Paper Cutting and Folding - Practice Questions and Quizzes**

certification	Based On Paper Cutting (28 Questions)
---------------	---------------------------------------

certification	Based On Paper Folding (30 Questions)
---------------	---------------------------------------

certification	Paper Cutting and Folding Quiz - Easy Level (14 Questions)
certification	Paper Cutting and Folding Quiz - Moderate Level (35 Questions)
certification	Paper Cutting and Folding Quiz - Advanced Level (35 Questions)

**Grouping of Identical Figure - Coming Soon**

**Hidden Embedded Figures - Practice Questions and Quizzes**

certification	Based Hidden/Embedded Figures (26 Questions)
---------------	--

**Mirror Image - Coming Soon**

certification	Hidden/Embedded Figures Quiz - Easy Level (10 Questions)
---------------	--

**Water Image - Coming Soon**

certification	Hidden/Embedded Figures Quiz - Moderate Level (26 Questions)
certification	Hidden/Embedded Figures Quiz - Advanced Level (33 Questions)

**Cubes and Dices - Practice Questions and Quizzes**

certification	Based On Cube (16 Questions)
certification	Based On Closed Dice/Block (16 Questions)

certification	Based On Open Dice Construction (20 Questions)
certification	Cubes and Dices Topic Quiz - Easy Level (20 Questions)
certification	Cubes and Dices Quiz - Moderate Level (35 Questions)
certification	Cubes and Dices Quiz - Advanced Level (23 Questions)

## Assemble Figure and Figure Formation - Practice Questions and Quizzes

certification	Based On Making a Figure From Given Component (16 Questions)
certification	Based On - Formation of triangles/ square/rectangle etc (5 Questions)
certification	Assemble Figure and Figure Formation Quiz - Easy Level (12 Questions)
certification	Assemble Figure and Figure Formation Quiz - Moderate Level (21 Questions)
certification	Assemble Figure and Figure Formation Quiz - Advanced Level (12 Questions)

## Figure Counting - Practice Questions

certification	How many Triangle (6 Questions)
certification	How Many Circle (4 Questions)
certification	How many Rectangle (5 Questions)

certification	How Many Square (4 Questions)
certification	How Many Straight Lines (3 Questions)

### Figure Counting - Quizzes

certification	Easy Level Quiz (29 Questions)
certification	Advanced Level Quiz (36 Questions)
certification	Moderate Level Quiz (45 Questions)

### Matrix - Practice Questions

certification	Problems on Matrix
---------------	--------------------

### Calendar
